WONDERFUL WORKS

Dear Friends,

What would it feel like to not have the choice to go to church?

This is a question that many families have to answer every Sunday, because they cannot find a church that is prepared to serve their loved ones who have disabilities, like Autism. So, they stay home alone instead.

At Wonderful Works, we believe this can change. Which is why we are committed to providing churches with disability ministry training resources that help them learn how to serve all families. We believe this mission matters, but we know we cannot do it alone.

This is why we will be hosting our first fundraising gala this April, where we are looking to raise \$50,000 to continue this important work. We would like to invite you to be part of the mission by partnering with us.

Would your company consider becoming a sponsor at the Everyone Belongs Gala?

Enclosed you will find information about our organization and the Everyone Belongs Gala 2024. Wonderful Works Ministry, Inc. is a 501(c)3 organization, and all donations are tax deductible. Companies who sponsor will also get the chance to show the community that they care through social media and other recognition.

We appreciate you taking the time to learn more and consider becoming our partner. Please feel free to reach out with any questions or give through our website.

We believe that everyone belongs in church and for that to happen, everyone belongs as part of the mission too. So, we just have one more question for you before we go.

What would it feel like to know you made a difference?

Blessings,

Equipping Churches To Serve Families Affected By Disability

Did you know that many families affected by disability cannot go to church because their children's needs are not understood?

We Believe Church Is For Everyone:

At Wonderful Works, we believe that a little training can make the difference between families staying home or coming to church. That's why we have created an online resource center that has more than 100 searchable disability ministry videos and downloadable materials. Churches can find animated short videos for training volunteers, in-depth expert-in-the-field interviews for deeper learning, or request a free consulting session. And, our Facebook Group gives ministry leaders a place to learn, build a community, and support each other.

The Impact:

We now have over 1000 ministry leaders from across the globe in our Facebook Community, and our resources are being shared at churches world-wide. Wonderful Works leaders are often invited to teach at national conferences and webinars. Recently, we have begun a collaboration with a large denomination to create an Adapted Discipleship Resource Library, which will include Adapted Children's Bible Videos and Lessons. Each day we see God moving the mission forward, because His church is for everyone!

Be Part of the Mission Too:

If you want to see more families affected by disability get back to church, please join us in this mission. You can show your support by praying, sharing our resources, and by giving. Wonderful Works Ministry is a 501c3 organization. To give, please visit us at wonderfulworks.net/giveandshare

I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.
